### About us

**Fumusic Studio** was officially founded in September 2020 by artistic director, I-Han Fu. The mission is to promote music through performances, festivals, lectures, and education. Fumusic Studio's concept is to not only share the knowledge and idea of music but also build up a bridge of cultural exchange through diverse intercultural and artistic activities, especially between Finland and Taiwan.

Fumusic Studio has presented various concert series and projects, such as Festival Series, Folk music Series. Through collaborating with artists from different nationalities and fields, it has shared and connected the culture between Finland with all over the world.

#### WE HAVE:

- Customized music lesson
- Piano lesson
- Percussion lesson
- Conducting lesson
- Lectures about music, percussion, intercultural activities.
- Concert projects in a different series.
